Good Morning CASSA Families,

We understand that there is a lot of uncertainty with the news that our schools will be closed for the next three weeks. I wanted to provide as much information as possible so that we are all informed. We have not received much direction as to what to do or how this will affect our normal operations. As we receive information, we will be sure to keep you all informed.

In order to continue to give instruction to our Scholars while we are out, we have created a blended learning model to where our teachers are creating on-line, digital assignments as well as physical paper assignment for those Scholars who do not have access to internet or a computer at home or community. These packets will be made available for families starting Monday morning from the School. These packets will include all subjects and will provide students log-ins and passwords for the online materials.

We are also moving our Parent/Teacher conferences to MONDAY, MARCH 16TH. During this time you will be able to pick up your Scholars Spring Break packet, 3rd Quarter report card, and have the opportunity to speak to your Scholars teacher. To set up a time to meet, please contact your Scholars teacher to confirm your time. Conferences will be held from 8AM-4PM.

We will be offering Free Grab and Go bags for breakfast and lunch to any child under the age of 18 during the school shut down period. Please stop by the school between the hours of 8 AM - 9:30 am for Breakfast and 11:30 am - 1 pm for lunch, Monday to Friday, to pick up your meals. We will bring meals out to you. Grab and go bags will not be offered during Spring Break.

Again, we appreciate all the support that you all give to our Scholars and school. We want to be sure that their safety and education is always our most important goal. We are committed to working with our Scholars and families to ensure the academic success. We will be in contact during this time and please do not hesitate to contact me with any questions. Have a great day!
