School Closing Announcements

There are often situations in which it is necessary to close the school. Cleveland Arts and Social Sciences Academy airs school closings on local news channels 3, 5, 8, 19, and 43. We typically close for inclement weather along with the Cleveland Public Schools; however, occasionally we find the weather conditions too harsh for our children during times when the Public Schools remain open. School closing messages will be delivered to families promptly. Depend on the news and your best discretion during poor weather conditions.

Transportation and Reimbursement

CASSA offers free transportation for our eligible Scholars. Transportation is provided by CMSD who contracts the service out to a third-party bus company, Community Bus Company. Together, they are responsible for adding your Scholar on the bus routes. They have determined that in order to qualify for transportation, a Scholar must meet the following requirements:

1. Enrolled in Grades EK-6. (7th and 8th Grade Scholars will be afforded bus tickets).
2. Must reside in the CMSD district (Scholars who live in neighboring districts will follow their districts policy) and must meet distance requirements. Scholars must live at least 2 miles away from the school but either within 5 miles or 30 minute or less drive to be eligible for transportation.
3. Must adhere to the rules and regulations of the bus. Any Scholar who is deemed unsafe to ride the bus will be remove permanently for the remainder of school year.

Some school districts offer transportation reimbursement. Transportation Reimbursement is provided to students in kindergarten through sixth grade who reside in a district and within the routing requirements. If you live in a district that offers reimbursement, an application for transportation, must be completed at the Transportation Department. Below is a list of the transportation department in the cities where our Scholars reside.

Contact Information

It is imperative that we have updated contact information at all times. Please make certain that a change in information is reported to the school office, in addition to your child's classroom teachers. Other information such as your pick-up list and emergency information should also be kept updated. We need to be prepared and able to respond efficiently should an emergency of any kind arise. When a change of address form is completed, it is required by the state that proof of residency be submitted as well.

CASSA Emergency Operations Plan

We are required by law to create and maintain an Emergency Operations Plan. This plan allows us to prepare to keep our Scholars safe during situations of crisis. Our Emergency Operation Plan is filed with the Cleveland Police Department, the Cleveland Fire Department, the Emergency Medical Service, the County Office of Emergency Management and the Ohio Department of Education. Our entire staff will be trained to keep our Scholars safe should any situation arise. You may request to review a copy of our plan which is housed in our school administrative office.

In addition to our plan, over the course of the school year, we prepare our Scholars by conducting various drills such as fire drills, tornado drills, emergency evacuation drills, and lockdown drills to aid our students in being prepared in the event of an emergency. Most of our drills are planned at random times; however, you will be notified in advance of our scheduled lock down drills.

State Prescribed Testing and Compulsory Attendance Statement

The Cleveland Arts and Social Sciences Academy is a community school established under Chapter 3314 of the Revised Code. The school is a public school and students enrolled in and attending the school are required to take proficiency tests and other examinations prescribed by law. In addition, there may be other requirements for students at the school that are prescribed by law. Students who have been excused from the compulsory attendance law for the purpose of home education as defined by the Administrative Code shall no longer be excused for that purpose upon their enrollment in a community school for more information about this matter contact the school administrator or the Ohio Department of Education.
